St Helena National Trust

Directors' Report
For the year ended 31 March 2025

Objectives and Activities

Our vision: "St Helena's heritage for all, forever."
Our mission: "Championing the conservation of St Helena's built, cultural, and natural heritage, through evidence-based proactive management, engagement, and partnerships"

The Trust has the following purposes:

- To promote the appreciation, protection and enhancement of St Helena's unique environmental and culture heritage.
- To acquire and hold in perpetuity land of natural beauty or buildings and objects of historic or cultural interest for the benefit of people today and of future generations.
- To give the people of St Helena a stake in the future of their unique environmental and cultural heritage.
- To provide opportunities for enjoyment, education, recreation and spiritual refreshment.

The principal objectives of the Trust are:

- To promote the permanent preservation for the benefit of St. Helena of lands and buildings of beauty or public, architectural, artistic, or historical interest and, in the case of lands, the preservation (so far as possible) of their natural aspect features and animal, plant and marine life.
- To promote the protection and augmentation of the amenities of such buildings and places and their surroundings.
- To maintain and manage lands acquired by the Trust as open spaces or places of public resort and buildings so acquired for purposes of public recreation, resort or instruction.
- To promote the preservation of furniture, pictures, documents, and chattels of any description having national or historic or artistic interest.
- To tender advice to the St. Helena Government on any matter contained in these objectives.
- To promote the access to and the enjoyment of such lands, buildings, places and chattels by the public.

Financial Results

The financial results for the period are set out in the Statement of Income and Retained Earnings on page 9, and are summarised below: -

	2024/2025 £	2023/2024 £
(Loss) Surplus for the Financial Year	(2,460)	136,218

Lourens Malan
Cllr Andrew Turner
Christy Joshua
Tracey Williams
Kimberley Peters – resigned on 9 September 2024
Nicola Essex – appointed on 24 February 2025

Statement of Directors' Responsibilities

Management are responsible for preparing the financial statements in accordance with Section 1A of Financial Reporting Standards 102 and to present the statements in such a way as to give a true and fair view of the state of affairs of the organisation for that year. Any significant assumptions used by the organisation in making accounting estimates, including those measured at fair value, should be reasonable.

Any related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Section 1A of Financial Reporting Standards 102. All events subsequent to the date of the financial statements and which require adjustments or disclosure have been adjusted or disclosed. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate to the financial statements as a whole. All accounting policies and changes to the accounting policies used in the preparation of the final statements are described in the accounting policies note to the accounts.

Statement as to disclosure of information to the auditor

There is no relevant information of which the auditor is unaware and the director and Trust Council have taken all steps they ought to have taken to make themselves aware of all relevant audit information and to establish that the auditor is aware of that information.

The Auditor for the current financial year in accordance with the organisation's governing legislation, St Helena National Trust Ordinance, 2001 section 15.4 and the St Helena National Trust (Amended) Regulations, 2020 will be the Vincent Slayer LLP on behalf of the Chief Auditor of St Helena, as appointed at the Annual General Meeting held on the 23 September 2024.

The financial statements were authorised for issue on the 16 September 2025 by the Vice-President of the Trust Council.

Michel Dancoisne-Martineau
SHNT Council Vice-President

Christy Joshua
SHNT Council Member

St Helena National Trust

Independent Auditor's Report
For the year ended 31 March 2025

Opinion

We have audited the financial statements of Saint Helena National Trust (the 'charity') for the year ended 31 March 2025 which comprise the statement of financial position, statement of income and retained earnings and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- Give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, for the year then ended
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice
- Have been prepared in accordance with the requirements of the Saint Helena Constitutional and Administrative Law Interpretation Ordinance 1968

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on Saint Helena National Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears

to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- The information given in the trustees' annual report is inconsistent in any material respect with the financial statements;
- Sufficient accounting records have not been kept; or
- The financial statements are not in agreement with the accounting records and returns; or
- We have not received all the information and explanations we require for our audit

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities set out in the trustees' annual report, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under applicable law.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud are set out below.

Capability of the audit in detecting irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We enquired of management, which included obtaining and reviewing supporting documentation, concerning the charity's policies and procedures relating to:
  - Identifying, evaluating, and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected, or alleged fraud;
  - The internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- We inspected the minutes of meetings of those charged with governance.
- We obtained an understanding of the legal and regulatory framework that the charity operates in, focusing on those laws and regulations that had a material effect on the financial statements or that had a fundamental effect on the operations of the charity from our professional and sector experience.
- We communicated applicable laws and regulations throughout the audit team and remained alert to any indications of non-compliance throughout the audit.
- We reviewed any reports made to regulators.
- We reviewed the financial statement disclosures and tested these to supporting documentation to assess compliance with applicable laws and regulations.
- We performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments, assessed whether the judgements made in making accounting estimates are indicative of a potential bias and tested significant transactions that are unusual or those outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees as a body, in accordance with Saint Helena Constitutional and Administrative Law Interpretation Ordinance 1968 and regulations made under that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTE 1
GENERAL INFORMATION

St Helena National Trust is a community-based charity established under the St Helena National Trust Ordinance 2001 as amended in 2019. The address of the registered office is Broadway House, Main Street, Jamestown, St Helena Island.

NOTE 2
ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis in accordance with Financial Reporting Standard 102 Section 1A small entities and are the financial statements of the parent entity, not group consolidated statements.

The financial statements are presented in St Helena Pound (£) which equate to GBP and are rounded to the nearest £1.

Going Concern accounting policy

After reviewing the entity's forecast and projections, those charged with governance have a reasonable expectation that the organisation has adequate resources to continue in operational existence for the foreseeable future. The organisation therefore continues to adopt the going concern basis in preparing the financial statements.

Significant Judgements and estimates

Preparation of the financial statements requires management to make significant judgements and estimates. The items in the financial statements where these judgements and estimates have been made include useful lives of long-lived assets. There is no certainty that realisable values in the future will match management's current estimates.

Financial reporting standard 102 (FRS 102) – reduced disclosure exemptions

The organisation has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by Section 1A of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" for qualifying entities:

- Section 7 Statement of Cash Flows –option taken to not prepare a statement of cash flows

Property, plant and equipment

Tangible fixed assets including those acquired under development aid are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is calculated to write down the cost of all tangible fixed assets, other than freehold land, over their expected useful lives, using the straight-line method.

Buildings	20 years
Motor Vehicles	5 years
Plant and Equipment	5 years
Computer Equipment	3 years

Fixed Assets costing less than £1,000 are charged directly to the Statement of Income.

Impairment of assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the Statement of Income.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the statement of income.

Cash at Bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Cash balances excluded any funds held on behalf of service users.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Creditors

Short term trade creditors are measured at the transaction price.

Provisions for liabilities

Provisions are recognised when the group has a present obligation as a result of a past event, it is probable that the organisation will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

The organisation recognises a provision for annual leave accrued by employees as a result of services rendered in the current period, and which employees are entitled to carry forward and use within the next 12 months. The provision is measured at the salary cost payable for the period of absence.

Deferred Capital Grants

Deferred Capital Grants are initially recognised as deferred income at cost if there is reasonable assurance that they will be received and the organisation will comply with the conditions associated with the grant; they are then recognised in profit or loss as other income on a systematic basis over the useful life of the asset.

Grants

Grants are accounted for on a receivable basis when there is probable and measurable entitlement to the income (i.e. the conditions for its award have been satisfied).

External assistance was received in the form of grants from donor agencies under agreements specifying the purpose for which assistance will be utilised. Grant funding received and receivable during the reporting period is disclosed in Note 13.

Government grants for items that are written off in the year of purchase are credited to revenue in the same year.

Funds

Funds are established to monitor funding accrued for specific purposes and the expenditure incurred for those funds. The increase or decrease in unrestricted receipts for the year is transferred to retained earnings.

Grant funding toward administrative costs are recorded as a receipt in the fund for which the grant was provided to reflect the total grant receipts for the project. The contributions toward administrative costs are recorded as a transfer from the relevant fund to the SHNT General Account. Charges resulting from services rendered between funds are recorded as transfer between funds.

Taxation

St Helena National Trust is exempt from the provisions of the Income Tax Ordinance.

Foreign currencies

Assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions during the year are valued at the rate prevailing on the day of the transaction. All exchange differences are taken to the Statement of Income.

The functional currency is the St Helena Pound (£) which is the same as the presentation currency for these financial statements.
